**EMPIRE®**

Serving Delicious  
And Mouth Watering  
Dishes Since 1966!

AS WE GET  
**YOUR ORDER**  
READY, HERE'S A  
LITTLE BIT OF  
WHERE? HOW? WHAT?  
ABOUT YOUR **FAVOURITE**  
**EMPIRE RESTAURANT**

**THE YEAR** – 1966

**THE MAN** – Mr. Abdul Rahim Haji.

**THE PLACE** – A small restaurant housed in one of the streets of historic Shivajinagar, Bangalore.

This is where we began...

*Mr. Abdul Rahim Haji, a veteran in the field of eateries and a non-resident Indian based in Malaysia came to Bangalore in 1966 and started a restaurant on a calm and quiet street in Shivajinagar under the name of Empire Restaurant.*

*Gradually, the restaurant started winning the hearts of the food-loving Bangalore crowd, who came to savor healthy and hygienic dishes.*

*In the initial years, Empire gained the status of a favored eatery under several managements, till Mr. Abdul Rahim's second son late Abdul Haq took over the reins in the year 1980.*

## Winning Hearts with Authentic Recipes

*It was Mr. Haq who created a name for Empire by introducing several mouthwatering dishes and most friendly service. Mr. Abdul Azeez – Abdul Rahim's younger son – joined his brother and both weaved a new growth story for Empire. Brain fry, Kebabs, Ghee rice, and Kerala Parotta were some of the dishes that soon became popular for their taste and affordability. Their efforts were bearing fruits as Empire had started to win the hearts of people with its delicacies and hospitality.*

**Late Mr. Abdul Haq**

*(Former Chairman & Managing Director)*

*What started as a small restaurant in just one locality of Bengaluru went on to become a popular hotel and restaurant chain with its presence in several parts of the city. Indeed, a journey that began in 1966 with just one man serving affordable delicacies and building strong bonds with customers has been an inspiration behind the way we delight YOU today.*

# Rise of Empire.

Once a sleepy retirees' haven, the Garden City began to be the happening place, with IT companies from around the world started setting up their branches and headquarters there in the 1990s. More than 50 years on, we have grown with and in the city of Bengaluru. In 2007, there was a major shift in our strategies related to the growth and expansion of Empire across the city. By the time the eldest son of the family, Mr. Mohamed Kunhi had joined the bandwagon after a long stint in several foreign countries. Empire also ventured out to the hospitality sector by starting three hotels and one serviced apartments complex with a total of more than 120 hotel rooms and 33 cozy serviced apartments of various sizes.

Empire has a common theme across our 30+ outlets and the concept of a 'central kitchen' ensures consistency in quality and taste.

Since 1966  
**EMPIRE**<sup>®</sup>

Thanks to the sincere and concerted efforts of its management, Empire is now one among the leading chains of restaurants in Bangalore along with our other popular brands, Karama, Vegetarea, Easybites and Empire Juice.

**KARAMA**
